# WHAT IS ENTREPRENEURSHIP

- Is it working on your own company?
- Is it having a nameboard as Founder or CEO?
- Its a Mindset that takes ownership to get it done of the work or task is given to you or you have taken by yourself!
- Its about End to End responsibility!
- Its not about money or Power or Freedom.

# MYTHS

**I Need Capital to start a business.**

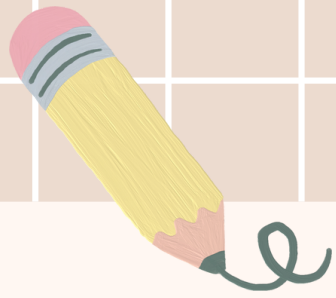

**I Have to leave my full time job to start a business.**

**I cannot be a entrepreneur if i'm working in full time job.**

**I will start a perfect business at my first attempt.**

**You will get to choose your own work timings.**

**You will get more freedom.**
